

Elk Grove Community Services District Parks and Recreation

Park Naming Criteria and Nomination Instructions

Elk Grove Community Services District names parks and recreation facilities after individuals and families that have made significant contributions to Elk Grove, or after historic, geographic or ecological resources important to the area.

Individuals may nominate park names that fit within the following criteria:

- 1) Park/recreation facilities shall not be named after a local elected official until that official is retired from office.
- 2) The park/recreation facility shall be selected in an area as close as possible to the residence of the individual or family or, the location of the geographic, historic, or ecological resource.
- 3) If an individual is deceased, a period of at least one-year must elapse prior to taking nominations for naming a park/recreation facility in his/her name.
- 4) Individual(s)/family should have provided significant, long-term contributions to the community of Elk Grove/Laguna demonstrating service and commitment to the community.
- 5) Unless contributions specifically to parks and recreation are extremely significant, no other community facilities (i.e. fire stations, libraries or other public buildings/institutions) shall be named after the individual if another facility is already named after him/her with the exception of schools and preferably joining school park sites.
- 6) The name of park/recreation facilities may be based upon geographical, historical or ecological relationships indigenous or of significance to the regions.
- 7) Park/recreation facilities may not be named after any service organizations.

A completed nomination should include:

- ☐ Completed application with attached narrative to support the proposed park name nomination. (mandatory)
- ☐ Letters of support (optional)
- ☐ A maximum of ten (10) attachment pages that may include newspaper articles, listing of accomplishments and/or affiliations, resumes, photos, etc...(optional)
